

Major Swiss-Volhynian Cemetery's on "Find A Grave"

Find a Grave's mission is to find, record and present final disposition information from around the world as a virtual cemetery experience.

Memorial contributions to [Find a Grave](#) must fulfill that mission - registration of the final disposition. If the memorial contribution corresponds with only the main mission, then the memorial fulfills its purpose as part of Find A Grave's mission.

Find a Grave memorials may contain rich content including pictures, biographies and more specific information. Members can leave remembrances via 'virtual flowers' on the memorials they visit, completing the virtual cemetery experience.

Find a Grave is a resource for anyone in finding the final disposition of family, friends, and 'famous' individuals
